

TUSCARORAN

M.A.P.

Greetings!

Because this is our first year book, we chose WORK for our theme to illustrate the necessity of complete co-operation between the two schools combining as one unit. To have a joint book such as this edition requires considerable more work than one where the entire class is one group.

Good work demands co-operation. When two groups join forces to achieve one goal, it is surprising to see the co-operation put forth by all involved. Working together makes friends between those who are not able to see eye to eye, and demands the utmost in the co-operation of all. This, our annual has achieved through the practice of our theme. Karl Thompson

We believe that a good theme for our year book is "Work." To become successful in anything we attempt to do, work is necessary. How did we become seniors? By work, of course. It has been twelve years of labor, but it is worth all the effort put forward. There have been times that we have loafed, but enjoyment is a part of life too. We had our enjoyment even though it may have been in the classroom when we were supposed to have been working. It has taken work all along the way and now we are about to enter a new stage of life which will mean more work after we graduate. Work is a good exercise for our healthy bodies and souls. Work alone brings about success. We have completed our first mile stone of life and through work we expect to achieve many more. So we look to the future with hope.

The members of the sponsoring group of the Tuscaroran of 1952-53 school term attain a unique and enviable position in being those who are leaders in the act of unifying school activities of the Fannett-Metal Jointure.

To you goes the honor of blazing the trail: that others seeing the rewards of your efforts may know that you have accepted the challenge of furthering common interests and offer to those who follow the "banner" to keep the cause rolling.

There is a place for youth on all community teams. Citizenship is not something that is automatically infused into one upon attaining his majority. From infancy, children have the strong desire for acceptance that parents and teachers trade on to produce socially acceptable behavior, and in adolescents the intensity of the drive is at its peak. Youth looks for acceptance not only by its parents and peers, but by adult acquaintances, the school and the neighborhood, and the community. If youth interests in and assumption of responsibility — by means of which you strive to gain status and acceptance — is discouraged and not taken seriously, youth are deprived of their citizenship, and the community is deprived of responsible citizens.

Our aim in school leadership is to have developed in our youthful citizenry those qualities which point toward and then to have those qualities grow and mature to adulthood.

Education in its fulfillment should cause us to truly appreciate those with whom we labor and associate.

Our sincere congratulations to this class who have shown by a commendable degree of cooperation and leadership their desire to completely unify the purposes of this forward step in educational opportunities.

May all your undertakings be crowned with desirable success.

Sincerely yours,

E. E. Blackburn

To the Graduating Class of 1953:

You are graduating at a time when considerable opportunity exists for those who are properly prepared. There are those who would have you believe that all great opportunities are in the past and that there is no longer any hope for the world. To those of you who would listen to these pessimistic voices, a brief following of the great Al Smith's advice "Let's look at the record," would seem to be in order.

Let us consider first the pioneers who left home and country to go forth into a wilderness to settle thirteen colonies. Surely they were not handed a Paradise free from work and worry. Nor did most of them ask for one. Those brave men who established a new nation in 1776 did not ask for a guarantee of happiness, but rather for the right to pursue it. When Abraham Lincoln assumed the role of leader of our nation slightly less than a century ago, he did so when the nation was torn violently between two conflicting ideologies and did not have an abiding faith in its future. From time to time in recent years we have been told by dictators that we had grown soft from the comforts of capitalism and could not defend ourselves. Each time we have been able to give up temporarily our way of life, defeat those who thus spoke, raise our standard of living, and share the fruits of our labors with our allies and even our former enemies.

It is to be hoped that this brief review of some of the past times of trouble should serve to show that we have not only come through them but have actually improved ourselves in doing so.

Some of you may have been told too that there is no use obtaining an education for you will soon be called into the army, navy, or other branch of the service. I would ask you to remember that Americans have always proudly defended their land. If you are called upon to do so, do it with the knowledge that men before you have done likewise and that society has prepared you as best it is able to do not only this but also to return and take a responsible place in our civilian way of life. I should like you to remember that no time — no matter how dismal — is wasted if learning takes place. We have tried in the little more than a decade you have been in school to teach you to learn. It seems to me that if you have learned how to learn, then your education has been successful even though you may forget some of the facts that helped develop this ability.

On behalf of the Board of Directors and the members of the faculty, I extend my heartiest congratulations to you for your accomplishments to date and wish for you all the success that your endeavors may earn for you. Above everything else I wish you the joy of finding some of the "unfinished rainbows" that still abound for those who would search for them with diligence and patience.

Very sincerely,

Robert W. Kochenour

History of the Class of 1953

Thirty-two Students Enter F. T. H. S.

Sept. 6, 1949 — After having passed the county eighth grade exam, 32 insignificant freshmen enrolled in Fannett Township High School. Things were strange and new to us, so we followed the other classes in ways to go about our business.

The Class Elects Officers

Sept. 16, 1949 — The freshman class elected the following officers for the year:

Pres. ----- Donald Goshorn
V.-Pres. ----- George Bair
Sec. & Hist. ----- Pauline Martin
Treas. ----- Shirley Campbell
Student Council ----- Richard Campbell

Members also joined various activities around the school. Max Miller, Richard Campbell, George Bair, James Best, Donald Goshorn, Jean Peterson, Pauline Martin, and Delores Hockenberry joined the ball teams. Pauline Martin, Shirley Campbell, Jean Peterson, and Delores Hockenberry joined the girls' chorus. Because of so many being represented in the school activities, a very promising class is now started on its way.

Physical Geography Class Takes Trip

May 16, 1950 — The freshman class under the leadership of Mr. Worthington visited Penn's Cave. A guided tour of the cave was made and many points of interest to the class were brought to their attention.

School Term Ends

We were happy when school closed that summer, not only because it meant three months of vacation, but the coming

fall we would enter school a step higher by becoming "sophomores."

Back to School Again at F. T. H. S.

Sept. 5, 1950 — On this fresh September morning our sophomores began a new year. As sophomores we lost most of our shyness and began to act more like high school students usually do. We were all a little more certain of what we would be doing in the year ahead.

Sophomore Officers

Sept. 12, 1950 — The sophomore class met and elected the following officers:

Pres. ----- Donald Goshorn
V.-Pres ----- Richard Campbell
Sec. & Hist. ----- Pauline Martin
Treas. ----- Shirley Campbell
Student Council ----- James Best

Biology Field Trip

May 10, 1951 — The biology class accompanied by Mr. Crouch, traveled to Horse Valley to gather flowers.

Surprise Party

May 11, 1951 — To end a successful year the sophomores accepted the invitations to Jean Peterson's birthday party at her home. Mrs. Peterson served delicious refreshments. Jean was the lucky recipient of many useful gifts. The playing of games brought the party to an end.

Twenty-two Happy Juniors Return to F. T. H. S.

Sept. 5, 1951 — We were all eager to begin classes for it was the first year we were combined with the seniors.

New Class Officers Elected

Sept. 17, 1951 — We met to elect our new officers for the coming school year:

Pres. ----- Max Miller
V.-Pres. ----- Donald Goshorn
Sec. & Hist. ----- Shirley Campbell
Treas. ----- James Best
Student Council --- Norman Coons

We ordered our class rings from the L. G. Balfour Company. We decided to get square rings as the students before us had done.

The Class selected for their colors maroon and white: class flower, the red rose: class motto, "Today Decides Tomorrow."

Oct. 3, 1951 — As a class we decided to chance off a turkey for Thanksgiving. The class appointed a committee to see about the turkey. We added \$60. to the treasury.

Music Festival

In March Donald Goshorn, Joan Geyer, and Delores Hockenberry attended the Music Festival at Quincy.

Skating Party

March 21, 1952 — A roller skating party was held at Blue Mountain Inn in Roxbury.

Junior Class Trip

May 29, 1952 — We ended our successful year by the class going to Hershey Park.

Seniors at Last

Sept. 3, 1952 — Twenty-one strut sophisticatedly back for their last year in F. T. H. S. They are joyous, but sad, that their happy high school days will soon be drawing to a close.

Elected Officers

Sept. 8, 1952 — The class met to elect

the following:

Pres. ----- James Best
Y.-Pres. ----- Jean Peterson
Sec. & Hist. ----- Gladys Stewart
Treas. ----- Shirley Campbell
Student Council ----- Norman Coons

Class Starts Work on Yearbook

Sept. 10, 1952 — The senior class voted to have a yearbook with Metal High School. This will mean much hard work for them.

Senior Class History Trip

During Pennsylvania week the senior class under the leadership of Mr. Shearer visited the Gettysburg Battleground. A guided tour of the Battlefield was made and many points of interest to the class were brought to their attention. One of the most impressive was the Eternal Light of Peace which is today a world famous symbol.

New Year's Party

Dec. 31, 1952 — To ring out the old year and bring in the new year the class was invited to the home of Richard Campbell for an evening of fun. Delicious refreshments were served. Many games were played. The evening was enjoyed by all.

M. T. H. S.

Freshmen

Sept. 9, 1949 — There were fourteen green, but happy little freshmen who entered the sacred doors of our high school rooms. The members of our class were: Joan Geyer, Peggy Gipe, Patsy Smith, Elsie Cornelius, Dorothy Shoemaker, Karl Thompson, Anna Miley, Adin Witmer, Joe Jones, Robert Sechrist, Tom Mort, Don Wagaman, Don Schooley and Joe Crider. Mr. Kochenour was our adviser. Karl Thompson was elected by our class to represent us in our newly-formed

Student Council. Although we did not publish a newspaper in our freshman year, all of us assisted the upper classmen with their publications. The class officers who were elected shortly after school started were:

Pres. ----- Patsy Smith
V.-Pres. ----- Joan Geyer
Secretary ----- Dorothy Shoemaker
Treasurer ----- Peggy Gipe
Historian ----- Elsie Cornelius

Joan Geyer, Karl Thompson, and Joe Crider are the members of our class who represented us in the band.

Dorothy Shoemaker, Joan Geyer, Patsy Smith, Peggy Gipe and Elsie Cornelius joined the Girls' Chorus.

Oct. 31, 1949 — The freshman class held a Hallowe'en Party. Prizes were given and refreshments were served.

Sophomores

Sept. 8, 1950 — Nine sophomores returned to "Old Metal High," hoping that that we would no longer be considered "Babies," as was our nickname last year. Joan Geyer and Bill Book went to Dry Run to take the commercial course, but we welcomed Carrie Ludwig from Dry Run to take our vocational course.

Nov. 10, 1950 — We held our first, but very successful roller skating party at Blue Mountain Roller Rink.

Dec. 28, 1950 — A combination Christmas-New Year's Eve party was held at the home of Elsie Cornelius. The class members and their guests had a very enjoyable evening. We played cards and records and delicious refreshments were served.

Feb. 16, 1951 — Our class held another successful roller skating party.

March 16, 1951 — An informal dance and card party was held to honor St. Patrick's Day.

April 12, 1951 — We selected and ordered our class rings.

April 19, 1951 — Several weeks of hard work were put into the first edition of our newspaper, and today we finally had it finished.

Juniors

Sept. 4, 1951 — Our class of nine, earnest, hard-working individuals entered the high school doors for our third year of high school. We were all looking forward to all the new opportunities and privileges that awaited us as upper classmen.

Nov. 16, 1951 — "Night of January Sixteenth," a play concerning a murder trial was given. Tom Mort and Karl Thompson had the two leading roles as lawyers with Patsy Smith and Elsie Cornelius as the lawyers' secretaries, Don Wagaman as court clerk, and Joe Crider as bailiff.

Nov. 23, 1951 — Another roller skating party at Blue Mountain Roller Rink.

Jan. 29, 1952 — Several members of our class met at Don Wagaman's home to make ice cream for our card party.

Jan. 31, 1952 — We held a very successful card party. Prizes were given to the players having the highest scores in "500" and Canasta. Refreshments were served and a door prize was given.

Feb. 1, 1952 — Our thanks go to Mr. Kochenour for the procuring and transporting of our candy for us. At the end of our first week of lunchtime sales we took in \$40.89.

March 15, 1952 — Our class held a dance and card party. Refreshments were served.

March 27, 1952 — Another successful card party was held. Two door prizes were given and tasty refreshments were served.

May 22, 1952 — In honor of our

friends, the seniors, we held a banquet at College Inn. The faculty members and their wives or husbands were also our guests. Tom Mort and Karl Thompson were our toastmasters. Dancing was enjoyed by those who chose to do so.

May 25, 1952 — The Girls' Chorus sang at the Baccalaureate service tonight. The representatives from our class were Patsy Smith and Elsie Cornelius.

May 29, 1952 — The Juniors decorated the church with baskets of flowers for the Commencement exercises. Patsy Smith, Elsie Cornelius, Don Wagaman, and Karl Thompson were ushers.

Seniors

Sept. 2, 1952 — We started our senior year with ten members. Joan Geyer joined us from Dry Run High School.

Sept. 20, 1952 — After studying Lincoln's Gettysburg Address in American Literature, we decided to visit the famous Battlefield to see the place he was commemorating. The day was pleasant and everyone enjoyed the guided tour over the famous battleground.

Sept. 26, 1952 — After a lot of hard work shared by all class members, we had a very successful festival. There was a softball game between the girls and their dads earlier in the evening, and the Path Valley Senior Band entertained with various selections during the evening. Movies were shown through the courtesy of Mr. Ed Bell.

Nov. 20, 1952 — Our class went to Dry Run to take the State Unemployment Examination. This examination determined what kind of occupation we were best suited for. If we wished, the State would assist us in securing an occupation.

Dec. 3, 1952 — Fahrney Studio in Chambersburg took our individual pictures for the year book this evening.

First we all visited Mrs. Shoop's house to have "our ties straightened."

Dec. 9, 1952 — The Yearbook Staff held its first meeting today. The members from our class are Karl Thompson, Don Wagaman, and Elsie Cornelius.

Dec. 23, 1952 — We exchanged Christmas gifts with the Juniors today and had a Christmas Party. Cokes, cookies, and delicious home made candy were served as refreshments. The candy was made by Ann Crider.

Jan. 8, 1953 — A committee composed of Don Goshorn, Delores Hockenberry, and Karl Thompson went with Mrs. Shoop to make the final selection as to the colors of the year book cover and the type of cover. Our committee was lucky to be shown through the entire Craft Press Building and to have the entire photographic and printing processes explained to us by Mr. Beachley. After we left Craft Press, we parked the Nash and waded through the slush and snow to Fahrney Studio to place our final picture order.

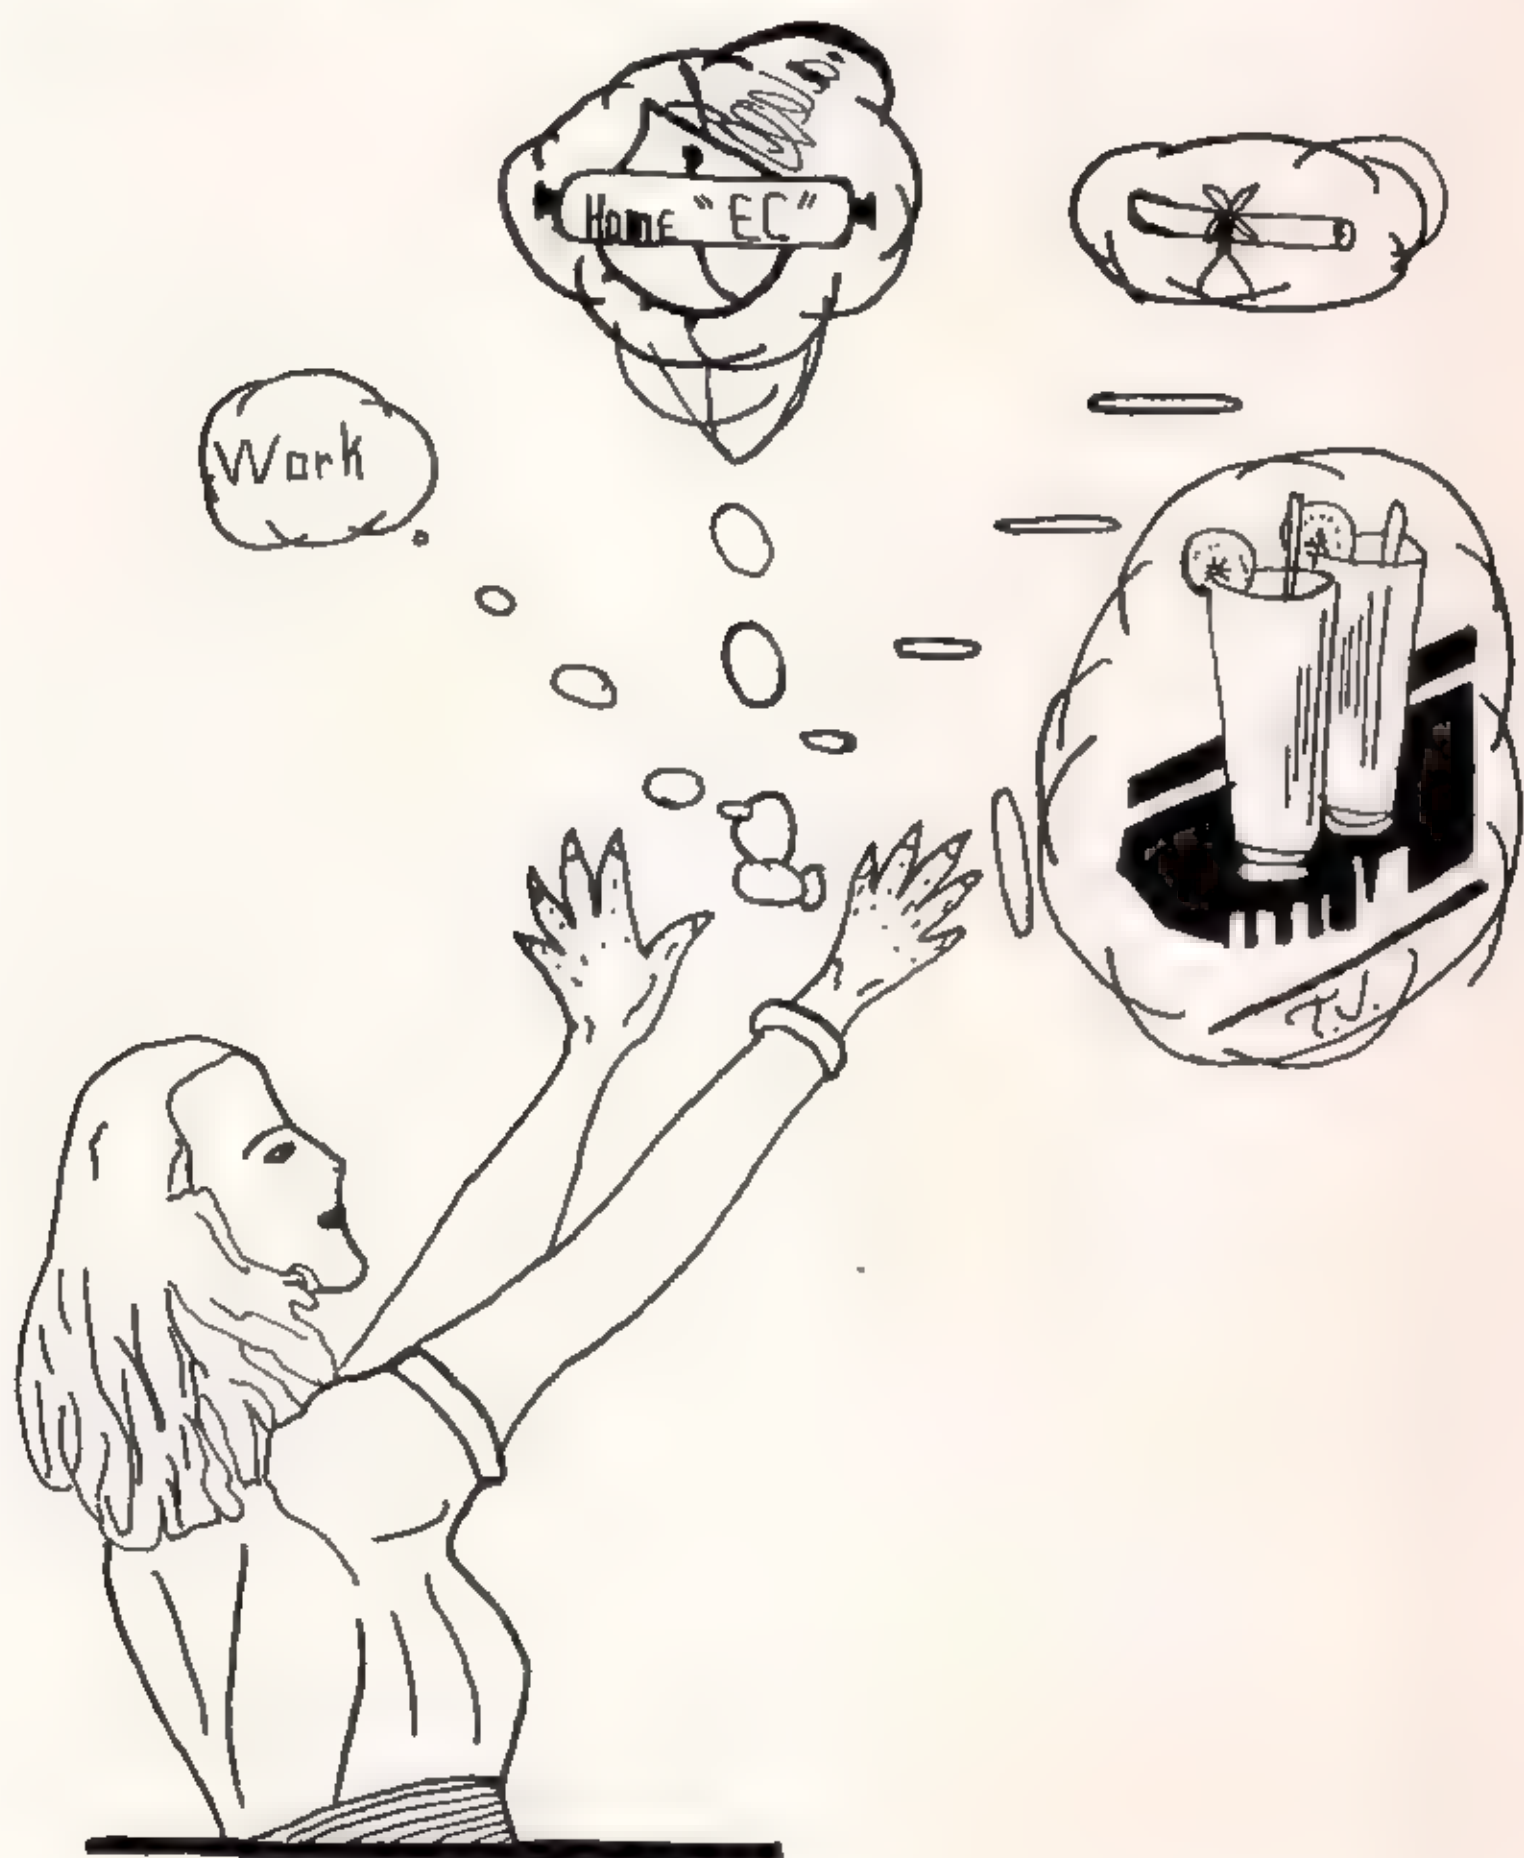

We accomplished a lot although traveling was hazardous due to the combined rain and snow which was freezing.

Feb. 2, 1953 — Groundhog Day! The final day of work on our yearbook! The day when our entire yearbook committee, consisting of nine members, heads for Chambersburg and Craft Press to make our yearbook headache their worries. The long awaited day is here and now we must collect our dummies and head for Mr. Beachley's office with our cherished annual. Before we say farewell we should like to express our deepest thanks to those who have made this publication possible, to our teachers, our adviser, the different classes for their co-operation, the individuals for their pictures, our advertisers, our patrons, and above all to Mrs. Shoop, for her untiring effort displayed with our yearbook staff.

Year Book History

With the publication of this, our fourth year book, we feel that we have come a long way in the production of our cherished annual since the ingenious class of 1950 took the challenge of making the first yearbook published in this institution. The class named their book "The Tuscaroran," a fitting name because the mountain range of the same name borders us on the western side of our valley, and because of the famous tunnel which knifes through this mountainous terrain. Their theme, "The Turn of the Century," was also appropriate because of the year in which the book was edited.

Through the last four years our annual has changed in various ways, one being color. The first publication was colored green, with silver designing and lettering, their theme having been discussed previously. The second publication was maroon with silver designing and lettering, their theme being "Freedom of the Press," and the third, or last year's publication, was blue with gold embossing, their theme being "One World." The most noticeable change made is that of the difference of size between the publications of last year and this year, due to the fact that this is the first volume of our joint year book. During the past year our book has grown from the 64 page edition to the present 80 pages. A few other minor changes are present because of our undying effort to improve the book of our school.

We sincerely hope that you enjoy our year book, The Tuscaroran of 1953, as well as you obviously have those of the past.

Student Council

Seated: Betty Kling, Miss Reimensnyder, James Best.
Standing: Donald Goshorn, Jane Stewart, Jesse Middaugh, Norman Coons, Eugene Christine, Betty Lou Piper.

The student council of our school was organized with two representatives from each class making up the members. These representatives meet every two weeks to discuss problems and future plans of the organization.

The purpose of our student council is to co-ordinate and promote student activity and encourage greater participation on the part of the students, to encourage students to accept and discharge responsibilities to teachers, the school, and the community, and to promote the general welfare of the student body and the school.

Projects the council discussed for the year 1952-1953 were activities for noon hour, such as movies and tournaments, and assisting the principal in conducting fire drills.

Representatives of the council are as follows:

Seniors	James Best, Norman Coons
Juniors	Betty Kling, Jesse Middaugh
Sophomores	Betty Lou Piper, Eugene Christine
Freshman	Jane Stewart, Harold Goshorn
Adviser	Miss Reimensnyder

This year our Dramatic Club was composed of students from both the Fannett and Metal High Schools. We named ourselves the Path Valley Dramatic Club.

On the nights of November 13th and 14th the Path Valley Dramatic Club presented four one-act plays as their fall production. These plays were under the direction of our dramatics teacher, Mrs. Kathleen Shoop. These plays were very successful.

The play, entitled "Billy's First Date," had the following cast: David Junkin, Delores Hockenberry, Edsel Burdge, Beverly Gallagher, Diane Parker, Lois Nimmon, JoLinda Hoopert, Shirley Neil, and Earl Parker.

The second play entitled "Everything Nice" had this cast: Jean Peterson, Delores Briggs, Karl Thompson, Shirley Campbell, Delores Hockenberry, Shirley Neil and Ed Rosenberry.

Third play was in the form of a lecture given by Karl Thompson and dramatized by Jane Stewart and Lewis Shearer. The name of the play was "Why I Am A Bachelor."

The fourth and final performance entitled "For the Love of Allah," was given by these students: Marcia Varner, Lyle Adams, Rosalie Collins, Shirley Campbell, Bob Campbell, and Alfred Gallagher.

If it can possibly be arranged the Dramatic Club is anticipating another production in the spring.

This is the first time that the Fannett-Metal Township High School has had a Junior Band and combined girls' chorus. They meet as one unit every week for rehearsal. Both organizations participated in the Christmas Concert, which was held at Metal Twp. High School. Several renditions by the 30 voiced girls' chorus proved most interesting to the audience.

The Senior Band made its first public appearance in 1952 at the Spring Concert. This program, presented by the Senior Band and the Girls' Chorus, was held Friday evening, May 16.

The band played at three other school and community events, the Senior Festival, the Men's Brotherhood Festival, and the Firemen's Carnival. Thus ended the spring and summer activities of the Senior Band.

The fall term began with the consolidation of the music departments. The band, by adding new members from both high schools became the unified Path Valley Senior Band. A new Junior Band, comprised of members from both schools, was also formed at this time. These two bands joined with the combined Girls' Chorus to present the first Christmas Concert of the Fannett-Metal Joint High School. This concert ended the band's activities for the year of 1952.

Officers of Senior Band are:

President	Nancy McAllen
Vice-President	Rose Umbrell

Our chapter is planning to attend the County Meeting of the F. H. A. at Chambersburg, February 9, 1953. Degrees will be given to those in the F. H. A. who have achieved certain goals.

The F. H. A. consists of twenty-three members.

Our new officers are:

Vice-President	-----	Peggy Gipe
Secretary	-----	Ann Crider
Treasurer	-----	Elsie Cornelius
Historian	-----	Lorraine Simpson

We have fourteen members in the Path Valley Chapter. Our work consists of judging cattle and handicraft in shop.

Three of our members went to Penn State during F. F. A. Week. They were Joe Crider and Joe Burd as delegates, and Karl Thompson as a member of the State F. F. A. Band.

In the Winter Jamboree, we did very well in the events. Franklin County lost in the tug-of-war between Adams and Franklin Counties.

The cheer leaders of the Fannett and Metal High School were combined as one unit this year. Because of the lack of time to practice together, they did not cheer as one unit at the soccer games this fall, but they did some work separately.

The cheer leaders of the Fannett Township High School accompanied the soccer team to two games during the season and did some cheering at home games.

In the spring the cheer leaders of both Townships plan to purchase new uniforms. These uniforms will be red and white to match the soccer suits. Then the cheer leaders will be ready to stand behind the baseball team and cheer them on to victory.
